

POULTRY EXHIBITION STATEMENT OF ORIGIN

In the State of Minnesota, all chickens, turkeys, and game birds at exhibition must meet the following requirements:

- Be individually identified with a leg or wing band;
- Originate directly from a National Poultry Improvement Plan (NPIP) classified Pullorum-Typhoid (PT) clean hatchery or breeding flock; **or** be negative to a PT test **within ninety (90) days prior to exhibition**;
 - Turkeys must also originate from a NPIP *Mycoplasma gallisepticum* (MG) and *Mycoplasma synoviae* (MS) clean hatchery or breeding flock; **or** be negative to an MG and MS test within 90 days prior to exhibition.
- Be accompanied by a certificate or test chart approved by the Board to show compliance with these requirements.
- All birds from **another state** must also meet **Minnesota Import Requirements**
 - Import requirements can be found at <http://www.mn.gov/bah>

I hereby attest that the poultry exhibited by me in Minnesota (*check one*):

have originated from a hatchery or breeding flock that is classified as NPIP Pullorum-Typhoid clean. If applicable, turkeys have also originated from a hatchery or breeding flock that is classified as NPIP *Mycoplasma gallisepticum* and *Mycoplasma synoviae* clean.
