# *The 133rd Itasca County Fair*

## August 19-23, 2026

The Itasca County Fair Directors invite you to the Itasca County Fair. We hope that you visit the fair this year and bring your friends to what promises to be a great fair.

There are many reasons to have a fair, from the great foods to the carnival rides and games, to the grandstand shows with special entertainment. However, the directors still feel the biggest reason is the opportunity for you to exhibit in the over 2,000 classes listed in this book. You can be part of the expected $25,000 to be given away in premium money along with the ribbons.

All Exhibitors must use on-line entry available July 1st through July 31st. Go to www.itascacountyfair.org; go to fair entry tab and then click on the online registration link, **be sure to "SUBMIT" entries from the viewing screen.** You may also download and preview the Exhibitor Handbook Rules and Regulations on that web page. ***We require advance entry for all exhibits.*** Advance entry allows us to have the exhibit tags and forms ready for you when you get to the fair. ***Please pay close attention to the entry times for each division.*** To enter in the 4-H department, you must contact the 4-H office.

**For assistance with registering your fair entries: Call the fair office and the volunteers will assist in computer entries. 218-326-6470**

As always, we welcome your suggestions and concerns regarding your fairgrounds and your county fair. Stop by and visit with the directors during the fair, or call **the fair office at 218-326-6470**

**Parking: $10.00 per car 5 day pass: $25.00**

## AWARDS

The superintendent of the division or some other person appointed shall assist as clerk and shall keep a record of the awards made. This record when completed shall be signed by the clerk and returned to the secretary.

The awards on entries shall be designated by ribbons or cards, as follows: First premium, blue; second, red; third, white.

All awards shall be made by comparison of the individual merits of the entries.

Any interferences by exhibitors to influence or dictate decisions of the judges will be sufficient cause for excluding his or her entry from competition, and should be reported to the secretary through the superintendent of the division.

An exhibitor may protest to the superintendent of the division at the time of the award, who may then require the judges to give reasons for such placing.

No superintendent shall award any discretionary premiums. Whenever articles of superior merit are exhibited for which no premiums have been offered, the superintendent may enter the same as "commended" in the book of awards so that the secretary may report the same to the board for future action.

Premiums will not be awarded on articles or animals of inferior merit, regardless of the number in competition for a premium. The judges may award no premium, second, or first premium as merit may warrant stating the reason in writing when requested.

## PAYMENT OF PREMIUMS

Premiums in cash will be available on Sunday after 5:00 pm.

## CHILDREN'S BARNYARD

Will be supervised by the **4-H.** If you have some animals that will make an interesting exhibit in the barnyard and would like to exhibit them contact the **4-H** office.

**SPECIAL NOTE** -The Itasca County Agricultural Association will take every precaution in its power for the reservation of articles and stock on exhibition, but cannot be held responsible for any loss or damage that may occur in the delivery, exhibition, or removal thereof.

Board of Animal Health Livestock Health Requirements for Public Exhibition (see general requirements)

CATTLE (originating from Minnesota)

Fair veterinarian will examine cattle before they are unloaded from trailer.

Cattle must be free of infectious diseases and ringworm and warts.

CATTLE (not originating from Minnesota)

Animals must meet the Minnesota Importation requirements in addition to the requirements outlined in this summary. Health certificates must list the Minnesota Exhibition as consignee and will be accepted if examination and tests are conducted within 90 days prior to the exhibition except swine pseudorabies tests which must be made within 30 days.

## CATTLE RULES:

1. Assignment of stalls and pens will be made by Superintendent.
2. Late arrivals or early cuts must be declared by Superintendent. In case of early outs, premiums money will be forfeited if exhibitors leave early.
3. Any breed not having entries two years in succession will not have classes listed in the entry book. They will be allowed to show in any other breeds in later years.
4. Any animals deemed unmanageable and possible threat to the safety of other exhibitors and the public will not be allowed to remain at the exhibit.
5. All bulls over one year of age must be neck-tied by a suitable chain while in the barn.
6. All bulls over one year of age must be handled by a nose restraint while outside of the stall area.
7. All cattle must be checked by the vet on day of entry.
8. 4-H animals will be allowed to and are encouraged to be entered into open class divisions regardless of how they place in the 4-H division. Entries of 4-H animals into open classes must be made by the July 31 deadline.

# DEPARTMENT 18 — RABBITS

**ADVANCED ENTRIES REQUIRED.** Advanced entry opens July 1st and closes on August 1st at 11:45 pm.

**Fair Week Livestock Check-in: Wednesday 6-9pm and Thursday 8am - 6pm.**
All rabbits must have permanent and legible identification mark in left ear.

**4-H Judging 9:00am Friday - Open class judging follows**
Usually between 11:00am and noon

**Limits: One entry per lot per exhibitor, entries made by exhibitor only.**
**A limit of 50 entries per family can be shown.**

**Exhibitor Meeting 4:30pm Sunday - Exhibits released 5:00pm Sunday**

Rabbits will remain in place until 5:00pm Sunday, but must be out of the barn by 7:30 Sunday evening.

The Fair Board will not be responsible for the animals left after this time.

The barn will be locked and no one will be in attendance.

**Blue: $4.00** **Red: $3.00** **White: $2.00**

**Exhibitors must provide the feed for their rabbits, as well as provide for their care and cleaning. Pens will be provided by the Agricultural Association.**

**Exhibitors are responsible for showing their own rabbits.**

No animal showing signs of disease may be entered. Rabbits will be inspected by competent persons before being admitted to the barn. The Fair Veterinarian will make the final decision.

The Rules and Standards of the ARBA will govern the Entries and Judging.

**ALL RABBITS MUST MEET THE AMERICAN RABBIT BREEDERS ASSOCIATION STANDARD WEIGHTS FOR THE BREED.**

- Senior rabbits shall be defined as over eight months of age for large breeds, and over six months of age for all other breeds.
- Junior rabbits shall be defined as under six months of age for all breeds not over standard age weights.
- Intermediate or 6-8 rabbits shall be defined as over six months and under eight months of age for breeds with this class.

Commercial meat-pen entry (only Recognized breeds competing) shall consist of three fryer rabbits, not less than 42 days and not over 10 weeks of age, not less than $3^1/_2$ pounds and not over $5^1/_2$ pounds individual weight. All must be of the same breed and variety and meet the standard of the breed.

All rabbits brought to the barn must be entered in competition in regular lots as given below.

All rabbits must have permanent and legible identification mark in left ear.

Base date for computing age shall be first day of the fair. Rabbits entered in Class 1 "Pet Rabbit" cannot enter any other class. Rosettes will be awarded for the Best of Breed and Best Opposite of Breed for each breed and for the Meat Pen.

**Thank you for being a part of the Itasca County Agricultural Association's Fair. Your participation is very important to us!**

**Itasca County Agricultural Association Board of Directors**

**SNAP BEANS: Harvest before constrictions appear between seeds, when seeds are about half grown. Ends of pods should not be broken off** in picking. Pods should be uniform. Pods may be wiped clean, but not washed. Leave stems attached.

**BEETS, CARROTS, PARSNIPS, TURNUPS, RUTABAGAS:** Root crops **should be mature but not over grown, pithy or coarse in texture. Tops trimmed off 1 –1/2 inches above crown. Side roots trimmed off but not the tap root. Roots carefully washed but not scrubbed**. Do not clean by brushing as done in the past.

**BROCCOLI:** Heads should be dark or purplish green and compact. Avoid yellow flowers in head. Stems cut about 5 inches from top of head.

**CABBAGE:** Stems cut about 1/2 inch below the head. Remove blemished or broken leaves but care should be taken not to peel the heads too much. A few outside wrapper leaves are desirable. Specimens may be washed.

**CAULIFLOWER:** Heads should be white, compact, and free of small leaves and ricy texture. Stems cut so as to leave 4 to 6 leaves. Outer leaves trimmed to 1—2 inches about the white head. Use soft bristled brush to remove dirt from heads.

**CELERY:** Remove roots of stalk and trim back to form a triangle or pyramid. Trim diseased and broken leaves on outside until color is uniform.

**SWEET CORN:** Select ears that are well filled out to the tip. Kernels should be milky and juicy. Remove outer husks but allow a short shank and the inner husks to remain.

**CUCUMBERS:** Pickling: select fruits 3-5 inches long. Specimens should be the same stage of maturity and uniform in size, shape, and color. Slicers : select fruits that are straight, dark green, and 6-10 inches long. They should be uniform in size, shape and color. Leave stems attached.

**KOHLRABI:** Remove roots just below the ball. Remove all but the upper 4-6 leaves. Select specimens that are uniform, medium size, and not hard or woody. Skin should be easily punctured by thumbnail. They should be cleaned, but not washed.

**STORAGE ONIONS:** Have specimens mature and thoroughly cured. The neck should be small. Do not peel to give slick appearance. Only such outer scales that are broken or discolored should be removed. Small basal roots should be left intact but trimmed to a uniform length of 1/2 inch. Wipe or brush but do not wash. Cut top 1 inch to 1-1/2 inches long.

**BUNCHING ONIONS:** Specimens should be peeled, 6-8 inches, tops trimmed, roots trimmed to 1/4 inch.

**POTATOES:** Tubers should be uniform in size, color and shape. Washing is permitted but do not blemish the skin by scrubbing. Avoid specimens with defects or disease.

**RHUBARD:** Select specimens that are straight, uniform and unblemished. Stalks should be pulled from the plant, not cut. Trim the leaf blade to about one inch above the stalk.

**SUMMER SQUASH:** Select small to medium size fruits when the rind is soft and easily punctured with thumbnail. Select specimens that are uniform in size, shape, and color. Leave about 1/2 inch of stem and wipe fruits clean.

**WINTER SQUASH and PUMPKINS**: Select mature specimens where the rind resists the pressure of the thumbnail. Fruits should be free of defects, uniform in size, shape, and color. Leave steam attached to the fruit.

**SWISS CHARD:** Select plants that are fresh, crisp and have bright green leaves. Trim off roots and trim bulbs to pyramid shape. Trim off diseased and broken leaves on the outside until the color is uniform.

**TOMATOES:** Select fruits that are uniform in size, shape, and color. Fruits should be perfectly shaped and free of cracks or blemishes.
